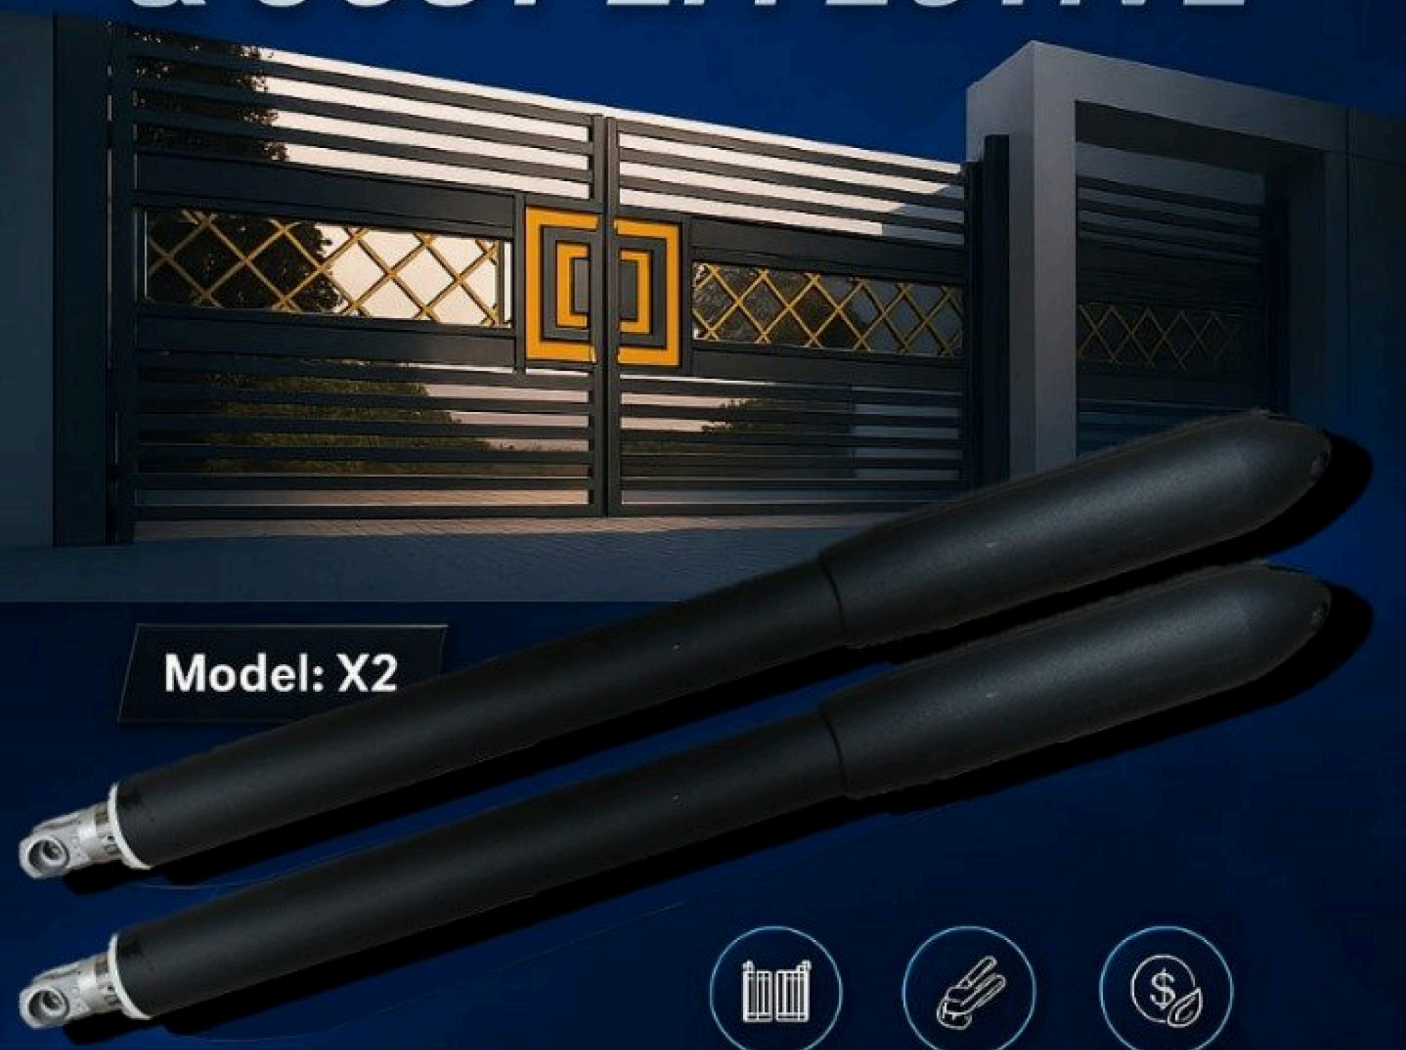
DFT

AUTOGATE OPERATOR

YOUR RELIABLE PARTNER
FOR QUALITY GATE AUTOMATION

SILENT, STRONG & COST-EFFECTIVE



Model: X2

Swing Gates

Ultra-Silent Motor

Energy Efficient

Engineered for durability, precision, and reliability – DFT **X2** delivers seamless automation for both residel antal

IMPROVES SECURITY | UNBEATABLE VALUE | CONVENIENT | PEACE OF MIND

DFT SERIES

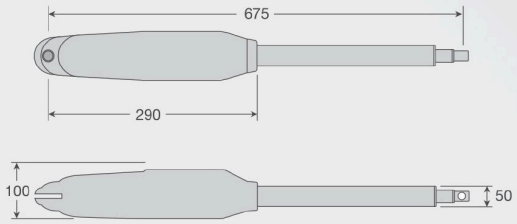
DFT
AUTOGATE OPERATOR

Technical Characteristics

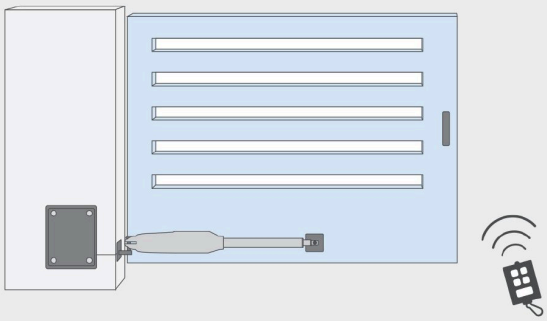
Code	DFT X2 +
Power supply	230 VAC
Motor voltage	24 VDC
Current input	0.5 A
Leaf max dimension	5 M
Working temperature	-20°C / +50°C
Max weight of gate	500kg
Backup Batery	12 DC 7AH
Travel Time (sec)	8-12 sec
Weight	11kg
Max opening angel	110°
Dual speed	Yes

* Specification is subject to change without prior notice

Product Dimensions

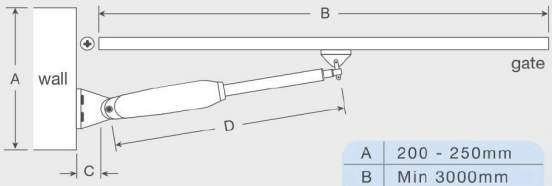


Installation Outlook



Control Panel and Accessories

Overall Installation Guide



A	200 - 250mm
B	Min 3000mm
C	130mm
D	675mm

ISO 9001
BUREAU VERITAS Certification

UKAS QUALITY MANAGEMENT 008

Manufactured by ISO:9001:2008 Certified Company

BUATAN MALAYSIA
MADE IN MALAYSIA
