

NETWORK REPEATER LN-N620

- Super cost-effective hardware configuration
- Digital pairing, simple and efficient
- 900Mbps wireless rate
- Effective transmission distance 4KM
- Support 24V POE network cable power supply
- Support 12V 1A DC local power supply
- Built-in 14dBi double-excited plate antenna
- The power supply distance of the cable can reach 50-70 meters
- Always protect users' network security
- The outer casing is designed with outdoor IP65 protection

A SIDE

主从 DC 数码开关 / 复位 千兆/POE 百兆

POE go to POE

SN:1812030067

电源适配器

型号: GDT-240100A
输入电压/功率: AC100-240V 6.5A
Max 3000W
输出电压/电流: 24V --- 1000mA

LAN goto SWITCH
OR CAMERA
